*Based on a fourteen (14) day advance with one (1) payment

If your check, ACH debit, electronic check, or other payment device is returned for any reason, you will owe a returned item fee of \$30.

If any payment is in default for a period of 10 days or more you will owe 5% of the payment amount or \$7.50, whichever is greater.

Customer Notice: Payday advances should be used for short-term financial needs only, not as a long-term financial solution. Customers with credit difficulties should seek credit counseling.
